

WiFi Hotspot Application

Please choose length of loan:

- 28-day loan
- 300-day loan (for students, educators, and patrons engaging in remote learning)
 - Student Educator
 - Patron engaging in remote learning

By checking this box, I verify that I lack adequate internet connectivity at home (no internet or slow speed).

By checking this box, I authorize CRCPL to create a library account in my name if I do not already have one. The hotspot will be checked out onto my account and I am responsible for the device's safekeeping and return at the end of loan.

Name of cardholder: _____

Birthdate: _____

Address: _____

Phone number: _____

Email address: _____

WiFi Hotspot Lending @ CRCPL

WiFi hotspots are available from the Chillicothe & Ross County Public Library for patrons lacking adequate internet connectivity at home. Thanks to the Federal Communications Commission (FCC), 500 hotspots have been added to our collection through the Emergency Connectivity Fund!

WiFi hotspots use cellular service to connect devices to the internet. You can use a hotspot to connect a computer, laptop, tablet, smartphone, video game player, and many other Internet-enabled devices. Since the Internet is delivered via cellular signal, service may not be available in all areas.

GUIDELINES & CARE:

- Cardholders with a Ross County, Ohio, address may check out WiFi hotspots.
- Two options are available for WiFi hotspot lending:
 - » 28-day loan with 1 renewal if there are no other holds. Adults and children may check out, but children must have a parent/guardian name on file.
 - » 300-day loan, for students, educators, and patrons engaging in remote learning. Adult checkout only. If a child/student needs a 300-day hotspot, a parent/guardian must check it out for them and assume responsibility for the device's safekeeping and return.
- The device is due at the end of your lending period. You may return it to a staff member at any library location. Do not return hotspots in library book drops.
- Please keep hotspot in a clean, dry, safe place. Do not get it wet or leave it in a hot car.
- While hotspot is not in use, please keep it in its carrying case.

TECHNICAL ASSISTANCE:

There are no fines for the WiFi Hotspot Lending Program. If your hotspot is damaged, lost, or stolen, please call us at 740-702-4145 and we will remove the device from your account. Unreported or repeatedly lost or damaged hotspots may result in loss of future hotspot checkout privileges.

For technical assistance, call T-Mobile Support: 1-877-746-0909
